# Christmas Discovery Program

Oakville Museum Education Program  
Preschool, JK/K & Gr.1

Canadian Christmas traditions of the early 20th century will be the focus of your students exploration into the difference between past and present. The Chisholm family home will be decorated for the holiday season for your students to explore. While participating in hands on activities, students will look at traditional Christmas gifts and decorations, play with old fashioned toys, watch a magic lantern show and discover the simplicity of Christmas stockings long ago.

Activities include:

- touring through the restored Chisholm Family home
- making a Christmas decoration to take back to school
- comparing old and new toys, including advertising
- participating in an interactive magic lantern show in the museum theatre

## Learning outcomes for Preschool, JK/K & Grade 1.

Specific outcomes:

- Language - Oral Communication, Reading, Writing and Media Literacy
- Personal & Social Development (Kindergarten)
- The Arts

General Outcomes

- Gather information from personal experiences, oral sources and visual representations
- Develop an awareness of the concept of change

Program length: 1.5 hours  
Fee: \$4.00 per student  
Maximum 30 students
